Sigma Beta Delta's 25th Anniversary

March 24, 1994 was the first induction of members held at Belmont University. SBD recognizes that date as the birth of the society. March 24, 2019 will signify the beginning of SBD's 25th year of fulfilling it's mission to encourage and recognize scholarship and accomplishment among students of business, management, and administration. Plans are underway to celebrate this silver anniversary in **October 2019**. SBD members and chapters will gather in the heart of **Philadelphia's** historic district to celebrate this historic occasion. More details to come!
